Home and School May Sponsor Public Speaking Contest

Tuesday evening, Nov. 18, an interesting general meeting of the Vulcan Home and School Association was held in the Anglican church hall. A fair attendance of members was present, and the president, Mrs. Weber occupied the chair.

Preceding the business session a much enjoyed short program was presented, when Miss Helen Nicol and Miss Rose Haga favored with piano selections. Miss Ruth Nicol and Miss Helen Nicol rendered a vocal duet which was also met with appreciation.

Considerable business was dealt with, beginning with a discussion arising out of the observance of Halloween, and it was suggested that plans would be made to sponsor a real Halloween party next year, to which all grades would be asked.

Mr. Majakey reported that the projection machine had been ordered and it was hoped to have it shortly for use in the school.

The matter of the Home and School sponsoring, locally, the Knights of Pythias Public Speaking contest, was fully discussed, and it was decided to contact the Reid Hill Home and School to ascertain if that school would participate with Vulcan, in this connection. The subject of the contest will be "The Debt of the Modern World to Ancient Greece." It was pointed out that this topic ties in perfectly with the social studies of the High School students. Eliminations will be held in March at the nearest point where a branch of the Knights of Pythias functions.

Discussion was held regarding the Home and School presenting a one-act play, in conjunction with a Drama Night being sponsored by the Cultural and Athletic Association, later in the winter. It was decided to undertake this and a committee was named to select the play and attend to preliminary arrangements.

At the conclusion of the business session the meeting was given over to Rev. O. H. Rollis, who had kindly consented to address the gathering. His subject, "Religion in the School," was highly interesting and gave his listeners much food for thought. A panel discussion followed in which some fine points were brought up. Mrs. Weber moved a hearty vote of thanks to Mr. Rollis after which lunch was served by the refreshment committee.

Sharon and Madelain Love presented the gift to the bride, and the bride's mother and Pat McFadden assisted in unwrapping the gifts. Mrs. Bogner very pleasantly thanked the ladies for their thoughtfulness. A lovely lunch was then served by the Church of Christ ladies.

Hospitality Is Appreciated By Americans

The following article of local interest is gleaned from the publication of the Tacoma, Washington, Sportsmen's Club, Inc.

CANADIAN HOSPITALITY
Having recently returned from a hunting trip into the Alberta country, Canada, in the company of Grover Orris and Earl McCoy, it is indeed a pleasure to say in a few words the extent of the hospitality that was shown us by those most wonderful people of that great prairie province.

Leaving the States through Idaho at Kingsgate, we went up British Columbia to Radium Hot Springs and over the pass into Banff, then on to Calgary. From there we went south to the town of Vulcan where we purchased our hunting licenses in the hardware store across the street from the R & S Motors. It was there we first met with this hospitality. Being total strangers in those parts, we asked as to the likely hunting spots. He referred us to Mr. A. G. Saxby and Clarence Robinson, the proprietors of a large garage and the Dodge agency of Vulcan. To say these men extended themselves far beyond any expectancy to make our hunting trip a pleasant one would be putting it mildly. We found when we got there that automatic shotguns were not allowed. As two of us had this type of gun, the situation looked bad, but not for long, as our friends soon had more shotguns that we could use. They spent days of their time taking us hunting, and when they couldn't go, they had the Mayor of Vulcan, Dyce Allan, a grand fellow you would all love to know, go with us. I could go on telling of the wonderful way they entertained us, but I wish to say something of the duck situation as we found it.

They have had a considerable amount of rain on the prairie this year so there were many small lakes and pot holes, all of which were literally alive with ducks, most of which had been hatched there as the northern ducks were not down yet. Geese were also present in great numbers. We were told that one of the mistakes of Ducks Unlimited in making their count this year was that they made their count in the northern country and did not take into consideration the millions that were hatched in the Prairie Province. In contrast to our possession limit in the States of 8 ducks, Canada's is 56, we may possess two geese plus three snow geese, while in Canada the possession limit is 20.

Conspicuous by their absence were the "No Hunting" signs. Taking their place was a friendly, "Welcome, come over to my place and hunt, help us get rid of the ducks."

J. L. Findlay President C. & A. Association

Reports from Directors of Various Activities Heard At Annual General Meeting

A new slate of officers for the coming year was elected at the annual meeting of the Vulcan and District Athletic and Cultural Association, held in the Oddfellows Hall Wednesday night of last week.

The new president is J. L. Findlay, who has taken an active part in the athletic activities of the Association since its formation. Other officers elected were: Ross Walker, first vice-president; J. M. Jamison, second vice-president; W. R. Fulton, secretary; M. R. Morrison, treasurer. Directors elected for a two year term were E. G. McPherson, Mrs. Viola Mensinger and J. Majakey. Directors elected for a one year term are John Mitchell, Gordon Clayton and Gordon Cranston. Dr. G. M. Carson was elected as honorary president.

Reports Heard

Reports of the directors of the various activities sponsored by the Association occupied the greater part of the lengthy meeting.

The outgoing president, Dr. G. M. Carson, said that since the Association was first formed, a very noticeable feature has been the willingness of individuals to do any job asked of them, and the success of the organization has been largely due to the good job they have done. To be a good citizen a child must be morally, mentally and physically fit, said Dr. Carson, and if the Association can help build good citizens it is doing a worthwhile job.

Reviewing the past year's activities, secretary Roy Fulton said net expenses had been quite high, but as various activities became more self-supporting costs of operation are expected to drop. It is hoped to extend the Association's activities in the coming year. Treasurer M. R. Morrison announced that advice has been received from the Income Tax Department that donations to the Vulcan A.C. Association would be exempt from income tax.

J. M. Jamison presented the constitution of the Association for approval and J. Majakey reported on the track and field day, mentioning that there had been 264 competitors. Cultural activities report, given by Rev. Otto Rollis, noted that there would be an amateur night and a drama night sponsored by the Association this winter.

Swimming classes conducted this summer had been very successful, reported Gordon Cranston. A review of junior baseball activities was also given by Mr. Cranston and Gordon Clayton reported on hockey. Efforts are still being made to secure the services of a fancy skating instructor this winter and a report on this matter was given by Ross Walker.

The report of the membership committee, given by E. G. McPherson, showed that there were 57 individual members, three organizations had paid their membership fees.

J. L. Findlay reported on the trip to the Edmonton track and field meet of Duane Neville and Arthur Chell. The possibility of constructing a 440 yard cinder track in Vulcan and of forming a junior band were other points he brought up for the consideration of the Association.

Sunday Sports

The question of sponsoring Sunday sports came in for a lot of discussion. An original motion, passed last summer, that the Association would not sponsor interschool sports on Sunday had later been rescinded, and the opinion of the annual meeting was sought.

A motion was finally passed, "That this Association is not opposed to Sunday sports," and the meeting adjourned shortly after midnight.

ing their place was a friendly, "Welcome, come over to my place and hunt, help us get rid of the ducks."

But, fellows, with the generous possession limit and the willingness of the Province that you may take them home, there is still this fly in the ointment, the U. S. Fish and Wildlife say you may only bring back 8 ducks and 2 geese. Just don't make sense.

A well attended meeting was held in Reid Hill Hall on Wednesday evening, Nov. 19. Sponsored by the Snake Valley Junior U.F.A. local, the gathering was featured by the showing of excellent sound films and by brief talks by the visiting speakers. Mrs. H. C. Douglass, U.F.W.A. director of Macleod and provincial convener of the Junior U.F.A., spoke, as well as Evan Williams, Junior U.F.A. director for Macleod, J. An excellent meeting was held in Alston Hall on Thursday, Nov. 20. Speakers were J. Edward Ness, vice-president of the Junior U.F.A., Evan Williams, Junior U.F.A. director for Macleod, and D. C. Thornton, educational director of U.F.A. Co-op. The same films were shown as at Reid Hill. The chairman of the meeting was Evan Williams.

On Friday, Nov. 14, a Junior U.F.A. local was organized at Milo. Officers elected were: Robert Umschied, president; Norman Smith, vice-president; Ione Dietz, secretary; Mr. and Mrs. Art Forster, Supervisors.

Same speakers as at Reid Hill were present and the same films were shown.

The chairman was E. A. Heather and the Milo U.F.W.A. served a bountiful lunch after the meeting.

Farewell Party For Pioneer Family

On the eve of their departure Mr. and Mrs. Pete Lundgren were the guests of honor at a community farewell party held at the home of Mr. and Mrs. Mainland. Some 45 neighbors and friends gathered to bid farewell to this pioneer family, who had lived in the district more than forty years.

A pleasant social evening of cards and a program was arranged, with community singing, led and accompanied by Mrs. Burrell and Mr. E. Kumlin, providing a happy note.

Mrs. O. B. Roe, on behalf of the assembled guests presented Mr. and Mrs. Lundgren with an electric table lamp and expressed the regret of all in losing such valued neighbors. Mrs. Deal presented Miss Mildred Lundgren with a ty dish as a farewell token. Mrs. E. Deal, on behalf of the Thigh Hill W.I. presented Mrs. Lundgren with a cup and saucer. The serving of a delicious lunch by the ladies of the community brought to a conclusion a most enjoyable evening.

Silver Wedding

The silver wedding anniversary of Mr. and Mrs. Lyle Jones of Edmonton, formerly of Vulcan, was celebrated by the serving of a family dinner at the home of the latter's sister and brother-in-law, Mr. and Mrs. Bob Jamison, on Saturday, November 22. The bride and groom of 25 years ago were presented with a silver tea service by the members of the family. On Sunday afternoon Mrs. Jamison again entertained twenty friends at the tea hour, in honor of Mr. and Mrs. Jones. A three tiered wedding cake centered the tea table, which was decorated with bouquets of mauve mums and candles. Mrs. C. B. McBrien of Nanton, mother of Mrs. Jamison and Mrs. Jones, presided at the tea table. The guests presented the happy couple with a silver casserole and a hand painted glass tea tray. Mr. and Mrs. Jones very suitably thank all who had joined them in observing their anniversary.

Plane Spots Calf In Basement

A heifer calf, missing for ten days, was rescued from involuntary imprisonment Tuesday after being spotted by a passing aircraft.

Owned by E. N. Rushfeldt, the calf had strayed from the farm and fallen into a basement from which the house had recently been moved. J. Arrison of Arrowwood, passing overhead in his light aircraft, noticed the plight of the calf and, landing near the farmhouse, informed Mr. Rushfeldt. By this time, and after an unsuccessful search, it had been decided that the animal had strayed far afield, but it was soon rescued and, although weak and hungry, is now making a good recovery after its ten days in the basement.

Born at Bicknell, Utah, February 4th, 1882, Mr. Snow came with members of his family, to Canada in 1903, where they settled near Raymond. A year later Mr. Snow took up homestead land north of the present site of Vulcan, where he had continued to live ever since. He returned to his native Utah in 1909, where he was married at Mantli, to Maude Williams, on January 6th.

He leaves to mourn him his wife at home; four sons, Willard, (Dee) at Reno, Nevada; Morgan, Starkwater, N. D.; Calvin, Medicine Hat and Clay, Vulcan. Two daughters, Mrs. Howard, (Thora) Burrell and Mrs. Burnell, (Dorcen) Drummond, both of the Vulcan district, and five grandchildren. One sister, Mrs. Pete Neilson, Springfield, Utah and a brother, Dr. J. Snow, Houston, Texas.

Pallbearers were the four sons and two sons-in-law. Burial was made in the Lethbridge cemetery.

School News

The Sadie Hawkins dance sponsored by the grade 10 room was a social success but not a financial one. There were several novelty dances, the winners being: Eroom Dance—June Hyslip; Elimination Dance—(called by Allan Clark) Duane Neville and Betty Hiltz; Spot Dance—Amond Hyslip Lorraine French. The girls escorted the boys to the local cafes for lunch at midnight.

Many of the students report they rose early to hear the original broadcast of the royal wedding.

All local teachers attended the convention in Calgary on Nov. 20 and 21. A feature of the convention with local interest was the motion which voted \$50.00 from the Foothills Local to send food parcels to teachers in Britain.

Ralph Buehler has joined the Cadets.

High School students listen Monday and Friday to the special school broadcasts on current events.

In the past season there were 325,407 visitors who entered National Parks in Alberta, compared with 247,343 in 1946. The largest increase was at Jasper, and Elk Island second.

VETERAN EDITOR RETIRES

SAM HODSON, who has been editor and publisher of the Okotoks Review since 1906, has been obliged through ill health to dispose of his business. He has sold his newspaper to Chas. A. Clark of the High River Times, and the sincere wish of his numerous friends is that this release from office ties may go far in restoring his health. It was particularly fitting that, at last meeting of the Alberta branch of Canadian Weekly Newspapers, he was presented with a life membership in the Association, in appreciation of his long and honorable connection with the newspaper world. Other veteran editors similarly honored, were Charles Clark Sr., and Mr. Horton of the Vegreville Observer.

For the past forty-one years Mr. Hodson's life and personality have been interwoven with the lives and interests of people of the Okotoks district. And it is expected that for many more years this happy relationship will continue. He is a friend to every man, woman and child for many miles round the town of Okotoks.

The list of his activities indicate how wholeheartedly he has become a part of the district of his adoption. He served for thirty years on the Okotoks council and for six years was Mayor of the town. He is honorary president of the Red Cross, patron of

the curling club, and during war years held innumerable offices in connection with various types of war work. He has found tremendous satisfaction in the interweaving of town and country life, and his regard for the rural people is summed up in his conviction that the farm element is the backbone of our moral and religious civilization. His lodge affiliations sound like a full time occupation in themselves, and to say he is almost like a king-pin of his community sounds almost like understatement.

Yet, in spite of all these manifold enthusiasms which have contributed to the education of life, he has always taken time for reading and quiet meditation. He likes to "sort things out," and his conclusions on the art of living are worth remembering. Speaking of the newspaper field he says: "One of the richest experiences of newspaper life is the opportunity to meet and know human beings on a simple homely basis. This should develop tolerance. There are so many angles bearing on human joys and woes, so many reasons and motives. An editor receives many confidences, and the vital thing is to respect such confidences and never betray those who trust you."

Touching on a newspaper ideal he says: "I think it is the policy of almost all weekly editors not to launch into print with little local controversies. Once a thing gets into cold print it assumes importance that rarely exists. So long as such little flurries can be kept to the heat of a meeting, or verbal clash, they are soon forgotten. One learns in time to be very cautious with the printed word, even though it means sacrifice of a good story. A small paper is in the happy position of being free to choose what it will print."

And the happiness and good life which he has found in his chosen town of Okotoks is summed up when he says: "You can make your life in a small town just what you like. If you walk as a friend, you find a friend. You can find everything worthwhile or nothing worth while. I have found everything worth while."

No wonder Mr. Hodson's friends are legion, not only in his community, but all across Canada in and out of his newspaper associations. With his new leisure may come time to enjoy more fully all these good friendships which are the fruits of the years.

Marshall Plan Affects Canada

The Marshall plan if it goes through calls for about 1 1/2 billion dollars to be spent in the next six months to re-establish Europe; 600 million to fill immediate emergencies and a total of 7 1/2 billion in the next year and a half. U.S. Secretary Marshall's plan, to come before Congress, is regarded as the best means of preventing economic collapse if it can be made effective quickly.

America alone cannot provide sufficient goods without creating domestic shortages, but if Canada can come through with its resources, it is said this will prevent further inflation prices in United States. This might also relieve shortage of U.S. dollars in Canada.

Canada is expected to ask United States for a much more far-reaching treaty arrangement than now exists.

Canada is concerned in the Marshall proposals, and is expected to be a contributor in the aid to Europe, which must be organized on a grand scale to do any good.

Predictions are that sacrifices of a substantial nature will be expected of Canadians if this country is to do its part in the Marshall scheme.

This is true, but Canadians are beginning to see that more patience is required with the British government which in its soaring imperialism is always ready to sacrifice colonial interests to an important foreign power. Canadians understand the ways of Americans and can drive a hard bargain if left to themselves.

Items From Bob Edwards' Inimitable "Eye Opener"

In the High River Eye Opener of Oct. 15, '03, Bob Edwards sprinkles his news of the town with bits of philosophy. He thinks that Canada is getting a very dubious deal in the British-American settlement of the Alaska boundary. In his opinion-Canada would do her own arguing more capably. In a previous issue he carried a few social comments, all of which have to be corrected, modified or explained—

High River Eye Opener

If they continue to rise in price potatoes will soon be appearing in tissue paper kimonos, like peaches. F. O. Bunkaby of High River left last evening for Banff where he plans to take a bath.

During the remainder of the season Mrs. Alexander B. Castle will be "at home" the second Tuesday after the first Wednesday of each month until the end of the year, and then it will change to the

fifth Monday after the second Wednesday.

The church has many glaring inconsistencies. They send missionaries out to China to convert the Chinks, and try to get them into the kingdom of Heaven, but they won't let 'em into this country.

The difference between American and English politics is shown by Mr. Chamberlain—having the gout. Over in the States a man who expected to appeal to the masses and to suggest extra taxes on their grub pile wouldn't dare have gout.

The new livery stable facing Refreshment Street is going ahead rapidly, while the addition to the Royal is just about ready for the housewarming.

Corporal McIlmoyle has received his Sergeant's stripes. Not bad for a man who has been only five years in the force.

The Alaska Boundary
It was stated that important communications are passing between the Imperial and Canada governments regarding the Alaska boundary. It is declared that the Canadian ministers have plainly told Mr. Chamberlain that Canada has got to about the end of her tether in the way of making concessions to United States.

The London correspondent of the pro-Boer Manchester Guardian adds a gloss of its own when it says "Though Canada had on many occasions not received justice, Sir Wilfred Laurier thought it possible to preserve friendly relations with the United States, but refused to exercise patience."

GOLDEN WEDDING ANNIVERSARY OBSERVED

Mr. and Mrs. A. C. Little celebrated their golden wedding at an "At Home" to their many friends, Monday, Nov. 4th, at the home of their son and daughter-in-law, Mr. and Mrs. Frank Little, from 2:30 to 5:00 p.m.

Out of town guests from Brooks, Vulcan, Staveland, Lomond, Warner and Idaho signed the guest book.

Gold and bronze mums in silver holders were used throughout the rooms. A beautifully decorated tiered wedding cake topped with a gold horseshoe and imbedded in a circle of small flowers, centered the lace covered, daintily appointed tea tables flanked by lighted tapers and gold baby mums in low containers.

Mrs. B. Anderberd of Brooks and Mrs. M. Hawkins of Vulcan, friends of long standing, presided at the tables. Beautiful gifts from their family and friends were on display.

A family dinner party was held, prior to the reception, at the home of their only daughter, Mrs. B. Hummel, when covers were laid for 32.

Mr. Little was born at River Falls, Wisconsin in 1868, Mrs. Little at Marshall, Wisconsin, in 1872. They were married Nov. 24, 1897 at Wapeton, North Dakota. They came to Alberta in 1910 and spent a short time where Vulcan now stands. They homesteaded at Lomond the same year where they resided until moving to Staveland in 1923. Upon their retirement in 1942 they came to reside in Champion.

Four children were born to the union, Mrs. B. Hummel and Frank at Champion, Jay and Roy at Staveland. They have 12 grandchildren and two great grandchildren.

Many more happy years together is the wish of their many friends.

44TH WEDDING ANNIVERSARY MARKED

In the dining room, pink and white streamers cascaded from a ceiling centre piece to the corners of the table.

Reflected in the glow of pink and white lighted cathedral tapers in crystal holders, was the beautifully decorated tiered wedding cake, topped with miniature bride and groom, which centered the tastefully appointed dining table.

A toast was proposed by Mr. Fath to which Mr. and Mrs. Ferguson responded. Mrs. Fath on behalf of the immediate family, presented her parents with a beautiful mantel chime clock. Other gifts from friends were on display. Covers were laid for 15 guests and the evening was spent playing cards. Mr. and Mrs. Vic Ferguson and daughter of Ponoka, attended the celebration. Their many friends wish many more happy wedding anniversaries together for Mr. and Mrs. Ferguson.

Master Jackie Howerton, 12 years old, son of Mr. and Mrs. A. Howerton, had the misfortune to fall against a butcher knife that was protruding over the edge of a table severely cutting his left hand and severing a ligament. Dr. J. G. Hardman attended the lad, taking 15 stitches to close the wound.

What might have been a serious accident was averted last week, when Allen McLean jumped from his tractor to safety, as it turned over. Mr. McLean was leveling the roads with a float behind the tractor when suddenly one wheel of the tractor dropped into a hole that had been undermined by badgers. No damage was done to the tractor.

NOTICE

IT IS IMPOSSIBLE FOR YOU TO HAVE A CHRISTIAN BELIEF THAT GOD SANCTIONS THE DIVISION OF HIS CHURCH INTO DENOMINATIONS AND SECTS.

The scriptures say in Rom. 1:17, that "Belief cometh of hearing by the word of Christ." The word of Christ has not taught that such a divided state of the church is alright, and since you cannot hear it from Him because he has not taught it, you cannot have a Christian belief in it. On the contrary you can believe that it is wrong and should be corrected because the word of Christ teaches so.

Jesus prayed, as recorded in John 17:20-21: "Neither for these only do I pray, but for them also that believe on me through their word; that they may all be one, even as thou, Father, art in me, and I in thee, that they also may be in us: that the world may believe that thou didst send me." Does not the divided condition of the church today revile His prayer to God?

The Holy Spirit said through the apostle Paul in I Corinthians: "Now I beseech you brethren, through the name of our Lord Jesus Christ, that ye all speak the same thing, and there be no divisions among you; but ye be perfected together in the same mind and in the same judgement." Is it then impossible for the churches to be one and speak the same thing? God don't think so, so don't you believe it. The apostle proceeds: "Now this I mean, that each one of you saith, I am of Paul; and I of Apollos; and I of Cephas; and I of Christ. Is Christ divided? was Paul crucified for you? or were you immersed into the name of Paul?" With different names listed here this would sound just like the modern church world, wouldn't it? In chapter 3, verses one to four he says "And I, brethren, could not speak unto you as unto spiritual, but as unto carnal, as unto babes in Christ. I fed you with milk, not with meat; for ye were not able to bear it: nay, not even now are ye able; for ye are yet carnal: for whereas there is among you jealousy and strife, are ye not carnal, and do ye not walk after the manner of men? For when one saith, I am of Paul; and another, I am of Apollos; are ye not men?"

Certainly God doesn't want an unspiritual, carnal church of babes, yet Paul says that that is what the church in its present condition is.

IT IS HIGH TIME THAT PEOPLE, WHO REVERENCE GOD INSTEAD OF MEN, GET BUSY TO RIGHT THIS OFFENCE AGAINST THE HEAD OF THE CHURCH, WHICH IS THE CHRIST. Note Col. 1:18.
